

*** NOTICE ***

WINTER TRAIL USES HAVE CHANGED!

**NO SNOWSHOES,
WALKERS OR DOGS**

On Wide Groomed Ski Trails

SKI TRAIL GROOMING IS DONE BY VOLUNTEERS, FUNDED ENTIRELY BY DONATIONS.
ONE GROOMING SESSION USES 6 GALLONS GAS AND TAKES 3+ HOURS.

WALKERS, DOGS & SNOWSHOERS OFTEN LEAVE DEEP FOOHLES,
REQUIRING 2-4 TIMES NORMAL GROOMING TO REPAIR.

FOOTHOLE DAMAGE CONTRIBUTED TO THE SCHOOL'S INABILITY TO HOST AN IMPORTANT SKI RACE IN JAN 2011.

TO KEEP LIBBY HILL MULTI-PURPOSE, WHEN TRAILS ARE SNOW-COVERED,
**ALL WALKERS, DOGS, SNOWSHOERS PLEASE ENJOY NARROW TRAILS
RESERVED EXCLUSIVELY FOR YOUR USE IN WINTER, OR EXPLORE OFF-TRAIL.**

THANK YOU FOR YOUR COOPERATION DURING SNOW SEASON.
ALL TRAILS RE-OPEN FOR REGULAR USE WHEN NO LONGER GROOMABLE FOR SKIING.

SNOWSHOES, WALKERS, LEASHED DOGS
